

# Affiliate Disclosure

**Ultimate You** is a participant in the Amazon Services LLC Associates Program and various other affiliate programs. These programs are designed to provide a transparent way for websites to earn advertising fees by linking to Amazon and other affiliated sites.

As a participant in these affiliate programs, Ultimate You may earn a commission from qualifying purchases made through the links provided on our website. This means that if you click on a link on our site and make a purchase on Amazon or through other affiliates within 24 hours, we may receive a commission at no extra cost to you. It's important to note that our partnership with these affiliate programs does not influence the content of our editorial posts, ensuring that our recommendations are always based on our honest opinions and research.

Within our product articles, you'll find links labelled as 'Buy Now.' These links are designed to make it easier for you to access the products mentioned in the articles. They direct you to our affiliate partners, providing a convenient way to make a purchase.

## Product Selection Criteria

Ultimate You's team of writers and editors is committed to helping the readers make purchases online. Here is how we write our product articles:

- We shortlist the products based on their reviews, rating, and various features available.
- Once the article is published, we check it regularly to keep it current and relevant.
- We keep the descriptions of the products balanced and unbiased so as to help the reader make an informed decision.

**Note:** Ultimate You does not take responsibility for the timely delivery and/or proper packaging of any purchase you make through a link on our website. If you experience any issues or have concerns regarding specific products you ordered through a link on this website, please feel free to contact us for assistance.

Ultimate You is dedicated to ensuring accuracy and reliability in the information we provide to our readers. However, we strongly advise consulting with a qualified health professional prior to purchasing any products or making decisions concerning your well-being.
